### Australia - Brisbane: City of Lights II

As a part of the City of Lights project promoted by Brisbane City Council, the heritage-listed William Jolly Bridge has been further highlighted by a dynamic LED lighting system. Once called The Grey Street Bridge, this old bridge dates back to the early 30's, when it became the proud answer of Brisbane to the "architectural rivalry" with the city of Melbourne. The Grey Street...

### Ireland - Memorial lights in Dublin

On Easter Monday, April 24, 1916, a group of Irish nationalists proclaimed the establishment of the Irish Republic and, along with some 1,600 followers, staged a rebellion against the British government in Ireland.

Within a week, the insurrection had been suppressed and more than 2,000 people were dead or injured. Nevertheless, the rebellion finally led to the sign of a treaty that in 1922 established...

### **Russia - Volkhonka Mansion goes yellow for the National Geographic Traveler Awards 2016**

Volkhonka Mansion is an amazing palace, which harmoniously combines history and modernity in its architectural features. The building is located in Moscow's city centre, right in front of the Church of Christ the Saviour, close to the Kremlin and Novy Arbat Street. In the last years of the XVIII century the mansion was part of the famous Pretchistensky Palace, Moscow's residence of the...
