### **Ireland - Gothic ENLIGHTENment**

New Ross, a thriving town set in rich rolling countryside on the banks of the river Barrow, was one of the first Irish towns to be developed by the Normans. By the first half of the thirteenth century it had already established itself as a successful port due to its key location, becoming by the end of that same century the busiest harbour in Ireland.

Nowadays, the bustling town of New Ross...

### **Japan - Godzilla is back in town**

Almost two years ago, Godzilla reappeared in Tokyo, but this time as a marketing and communication tool, a tourist attraction symbol of prosperity and diversion for the renowned Kabukicho Ward, the red light district of Shinjuku. The fire-breathing, building-stomping monster was appointed tourism ambassador for Shinjuku ward, a night-life district known for its down-home bars and noodle restaurants....
