France - Renovation through water and light

Located in the heart of the historic centre of Dijon, Place de la Libération offers a perfect setting for the Palais des Ducs de Bourgogne, which architecturally dominates in an elegant and imposing way the main square of the lovely French city. In order to give back the deserved relevance to this beautiful area, while developing it into a strategic part of the urban life, the square...

UK - Festival Place: An improved shopping experience

Festival Place is a vibrant social hub in the heart of Basingstoke offering an unforgettable shopping experience for locals and residents of Hampshire. The mall has recently undergone a major refurbishment programme, to redefine its brand identity while consolidating its position as a prime regional shopping and leisure destination. Involving a series of short and long-term initiatives, the...
