South Korea - A double WOW effect for the Mancheonha Skywalk

Already a must-visit in Danyang, the Mancheonha Skywalk was opened in July 2017 and represents the most challenging tourist attraction of this beautiful naturalistic area. Built on the top of a 90m high hill, with its 40 m height this unique observatory offers a breathtaking view of Danyang and a jaw-dropping 360° panorama of the surrounding South Han River valley and the famous Mount Sobaek. Impressively...
