

# CAPITAL 300 MC

CAPITAL 300 MC

## DESCRIPTION

With an elegant, stylish shape and a sleek profile, which allow a seamless integration in every architectural environment, CAPITAL 300 MC is the ideal solution for the dramatic illumination of large-scale façades and high-rise buildings calling for high impact floodlighting. Responding to the lighting designer's need for aesthetic appeal and chromatic adaptability, CAPITAL 300 MC features multichip LEDs, which enhance seamless light distribution and smooth colour transitioning.

## MAIN FEATURES

- Max. delivered lm output: 19556 lm / 74 lm/W
- Size: (HxWxD) 383x492x105 mm / 15x19.4x4.1"
- Control system: DMX-RDM, DALI DT8, DALI, remote wireless data
- Powerful floodlight fitted with multichip LEDs
